Profile Updated 2025

Martial Arts Lead Instructor
January 2024 – Present | Frederick, MD

➢ Led and instructed martial arts classes for students ages 3 to adult, adapting teaching methods to various age groups and skill levels.Collaborated with a team of instructors to ensure a consistent and supportive learning environment.

➢ Took leadership in planning lessons, demonstrating techniques, and managing class dynamics to foster discipline, confidence, and physical fitness in students.

Landscaping Laborer
March 2024 – August 2024| Mount Airy, MD

➢ Performed residential and commercial weed whacking and general yard maintenance for 4–5 hours daily, often under physically demanding conditions. Developed strong time management and stamina through consistent, repetitive outdoor labor.

Swim Coach
June 2024 | Urbana, MD

➢ Coached swim fundamentals and techniques to children and teens ages 4 to 17 in a structured and engaging environment.Ensured safety and discipline during all practices, demonstrating responsibility and attentiveness.

Experience
2025

➢ Ive Created a numerous amount of projects using (HTML/CSS/JS). After previous sophomore web development classes I am much more efficient in my projects. Took a gap year to get a car and increase my knowledge.
➢ Efficient in java as well and have created projects as well. My project portfolio will be at the very bottom of the page
